

FACTS ABOUT BROOKLYN LABORATORY HIGH SCHOOL

The mission of a great school is to provide high-quality instruction to all students. At Brooklyn LAB, we pride ourselves in our commitment to this mission. We are an academic institution that believes all students deserve access to an excellent secondary education. We are a team of qualified and engaging educators dedicated to providing our scholars an amazing education that will take them to and through college, and beyond.

Here is what Brooklyn LAB offers to our scholars:

- Pre-AP Classes are offered to prepare scholars for success in more rigorous AP courses
- AP Classes are offered in Biology, Environmental Science, Language & Composition, Literature, Research, Seminar, Statistics, U.S. Government & Politics, U.S. History, World History. This enables our students to earn college credit, save time and money, stand out on college applications and gives them an advantage while in college
- The curriculum, instruction, and assessments are aligned with state standards
- Partnership with families based in consistent communication around scholar progress towards their goals
- Scholars receive daily small group instruction that is targeted and differentiated to their needs
- All teachers utilize methods to engage all types of learners and offer after-school Academic Clubs to provide additional support
- Honor Society: Brooklyn LAB is a part of the National Honor Society Club; scholars become eligible in 10th grade
- All scholars receive a Chromebook to provide digital literacy
- We have a strict NO BULLYING policy
- Our team of deans is dedicated to positively supporting scholars and educating the whole child
- High expectations for our scholars
- We foster a “village mentality” in partnership with our parents and families
- Exceptional school leadership focused on turning our mission into daily reality

Brooklyn Lab welcomes all learners and staffs robustly to ensure all student needs are considered and met through programming and/or interventions. Whether a student requires advanced learning or support through a formal learning plan, we welcome diversity in our classrooms. Every scholar has a dedicated counselor who helps manage their four-year journey to their best fit college.
